

Outline and agenda for Meeting 1a - Fri July 3 - 9:30 -17:00
Long term technical options for road transport

This meeting focuses on the technical options for road transport that are related to vehicle innovations. With regard to alternative energy carriers, the meeting focuses on the options for and potential of using alternative fuels, rather than on the availability, which will be covered in focus group meeting 3.

Agenda

9:00 Registration

9:30 Welcome

9:45 Introduction of the project

10:00 Presentation on technical options for fossil-fuel-based passenger cars and vans

10:20 Discussion on technical options for fossil-fuel-based passenger cars and vans

11:00 Coffee break

11:15 Presentation on alternative energy carriers and powertrains for passenger cars and vans

11:35 Discussion on technical options for fossil-fuel-based passenger cars and vans

12:15 Conclusions on technical options for passenger cars and vans

13:00 Lunch

14:00 Presentation on technical options HGV and buses: both fossil fuels and alternative energy carriers

14:20 Discussion on technical options and alternative fuels for HGV and buses

15:15 Tea Break

15:45 Concluding discussion on technical options for road transport: overall reduction potential, cost and barriers

16:45 Closing remarks

17:00 End of the meeting
