

Outline and agenda for Meeting 1b - Thu July 2 - 13:00-17:30
Long term technical options for non-road transport modes

This meeting focuses on technical options for rail, waterborne and air transport. With regard to alternative energy carriers, the meeting focuses on the options for and potential of using alternative fuels, rather than on the availability, which will be covered in focus group meeting 3.

Agenda

12:45 Registration

13:00 Welcome

13:15 Introduction of the project

13:30 Presentation on technical options for rail transport (including alternative energy carriers)
