

Outline and agenda for Meeting 2- Tue July 7
9:30-13:00 freight transport; 14:30-18:00 passenger transport
Operational options and demand management

This focus group meeting covers the options for GHG reduction in all transport modes that are not related to vehicle or fuel improvements, e.g.:

- Modal shift.
- Decoupling transport growth from GDP growth.
- Operational options (e.g.): speed reduction, eco-driving, improved maintenance and traffic management.
- Intelligent transport systems

Agenda morning session on freight transport

9:00 Registration

9:30 Welcome

9:45 Introduction of the project

10:00 Presentation on modal shift and decoupling transport growth from GDP growth for freight transport

10:20 Discussion on modal shift and decoupling transport growth from GDP growth for freight transport

11:00 Coffee break

11:20 Presentation on improved logistics for freight transport

11:40 Discussion on improved logistics for freight transport

12:00 Presentation on operational options for all freight transport modes

12:20 Discussion on operational options for all freight transport modes

12:40 Conclusions on demand management, logistics and operational options for freight transport

13:00 *Lunch*

Agenda afternoon session on passenger transport

(14:15 Registration for participants only attending the afternoon session)

14:30 Welcome and introduction afternoon session

14:45 Presentation on intelligent and alternative passenger transport systems

15:00 Discussion on intelligent and alternative passenger transport systems

15:30 Presentation on modal shift and decoupling transport growth from GDP growth for passenger transport

15:50 Discussion on modal shift and decoupling transport growth from GDP growth for passenger transport

16:20 Tea break

16:35 Presentation on operational options and improved vehicle utilization in passenger transport

17:00 Discussion on operational options and improved vehicle utilization in passenger transport

17:30 Conclusions on ITS, demand management, logistics and operational options for passenger transport

17:45 Closing remarks

18:00 End of the meeting
