

EU transport GHG emissions: Routes to 2050?

1st Stakeholder Event

Date: Friday March 27 2009

Time: 10:00 – 17:00

Location: Borschette conference centre, Brussels

Agenda

	Session 1 – Project intro and setting the stage
10:00 – 10:10	General intro: <i>Jos Delbeke</i> , European Commission
10:10 – 10:30	Introduction to the project and the day: <i>Ian Skinner (AEA)</i>
10:30 – 10:50	Transport GHG emissions: Trends and drivers by <i>David Delcampe</i> (European Environment Agency)
10:50 – 11:05	Identifying transport's potential contributions to future GHG emissions reduction: <i>Magdalena Jozwicka (TNO)</i>
11:05 – 11:20	EU Transport demand: Trends and drivers: <i>Riccardo Enei (ISIS)</i>
11:20 – 11:40	Visions on the future of transport in the light of the GHG reduction challenge by <i>Jos Dings</i> (Transport & Environment)
11:40 – 12:00	Discussion
12:00 – 13:00	Lunch
	Session 2 – Long term GHG reduction options
13:00 – 13:25	Intro by consortium on technical/non-technical options (Task 4): <i>Richard Smokers (CE Delft)</i>
13:25 – 13:50	Options for long-term greenhouse gas emissions reductions in surface transport by <i>Eric Ling</i> (Committee on Climate Change, UK)
13:50 – 14:30	Discussion
14:30 – 15:00	Coffee break
	Session 3 – Policy instruments
15:00 – 15:20	Intro by consortium on policy instruments (Task 4): <i>Huib van Essen (CE Delft)</i>
15:20 – 15:40	A city's on reducing transport's GHG emissions: Freiburg, past present and future by <i>Andreas Hildebrandt</i> (City of Freiburg)
15:40 – 16:10	Personalised travel marketing: Experience, obstacles and potential by <i>James Ryle</i> (Sustrans)
16:10 – 16:30	Vision on policy instruments for long term GHG reduction policy for transport by <i>Philippe Crist</i> (OECD)
16:30 – 16:50	Discussion
16:50 – 17:00	Closure of the meeting call for evidence: <i>Ian Skinner</i>
